2019 Moon Mountain Syrah sourced from our vineyard nestled at the top of Moon Mountain. At 1,600 ft elevation, with heavy influence from both the Pacific Ocean and the San Pablo Bay, the grapes are treated to warm days and cool nights. It is this daily diurnal shift in temperatures that creates distinctive world class wines around the globe.

Our 2019 Moon Mountain Syrah is explosively aromatic, showing complex aromas of fresh blackberries, plum sauce, and espresso bean. These aromas are accented by hints of green olive, sage and Tahitian Vanilla. On the palate the wine is elegant and balanced with high acidity, fine-grained tannins, and flavors that mirror the aromas. The wine culminates in a prolonged finish of tart blackberries, wild herbs and a dallop of black pepper that is sure to excite any Syrah lover and will likely convert more than a few to the charms of Syrah.
