We're thrilled to announce the release of our highly anticipated 2022 Decree Cabernet Sauvignon. This marks the next chapter in the story of our Diamond Mountain Estate.

In 2012, we embarked on a journey to revitalize our Diamond Mountain vineyard, culminating in the creation of our powerhouse reserve wine, Voir Dire. In 2014, we continued to explore the potential of our terroir with the planting of Hawk's Prey.

Now, after a decade of meticulous winemaking, we present Decree. Growing on the same hillside microclimate and soil type as Voir Dire, Decree is destined to become its eventual successor.

Decree makes a bold statement the moment you open the bottle. Assertive aromas of black cherries, ripe blackberries and brown sugar leap from the glass. Through softer layers swirling just below the surface, you will also discover delicate notes of violet, warm earth and dark espresso.

The palate is elegant yet structured with layered, rich flavors that mirror the nose. Bright acidity brings life and verve to the wine that extends the experience to a stunning finish of ripe black cherries, espresso and sage. As the name states, Decree is here to make a statement.
